

Austrian Court Overturns Mask Mandate in Schools

written by GEG | January 8, 2021

Austria's Constitutional Court ruled in December that two government edicts related to coronavirus in schools – compulsory mask-wearing and splitting classes into two halves to be taught in alternate shifts – are illegal.

It Was a Stunt: Senate Republicans Never Intended to Save Trump's Presidency

written by GEG | January 8, 2021

Revolver.com makes the case that Republican Senators never intended to expose the massive voter fraud in the presidential election when they vowed to refuse to certify the Electoral College vote. Ultimately, none want to risk professional ruin, criminal prosecution, or violence.

How China-Backed American Communists Use Minority Groups to Flip States to Blue

written by GEG | January 8, 2021

The Chinese have communist networks in America who are US citizens but owe their loyalty to China. They register hundreds of thousands of minorities targeting them in door-to-door voter registration drives, and then they get them to the polls on election day.

Ashli Babbitt, an Unarmed Trump Supporter Was Shot to Death by Police in the Capitol, 3 Others Also Dead

written by GEG | January 8, 2021

Ashli Babbitt, an unarmed Trump supporter, was shot dead by a Capitol Police officer as she attempted to climb through a broken window inside the building, in order to bypass a barricade. Some witnesses said the police officer had no choice but shoot Ashli, while others say the officer should be prosecuted.

Evidence that Pro-Trump Demonstrators at the Capitol Were Infiltrated by Pretenders

written by GEG | January 8, 2021

Predictably, Trump supporters now are being labeled as terrorists after the media failed to question whether the agitators at the Capitol might have been agents of Trump's enemies carrying out a mission to throw public opinion against the President at this critical moment.
