

Gavin Newsom Plans To Buy All California Real Estate Foreclosures

written by GEG | January 14, 2021

Matt Aitchison says a new law in California, SB 1079, will result in the State entering the real-estate-foreclosed home business, which essentially removes competition from investors, and could ultimately socialize real estate as a whole. He warns that this policy may spread to other Democrat-run sates.

Europe, UK, Canada and Israel Ready to Roll out Vaccine Passports

written by GEG | January 14, 2021

The passport creates a two-tier system that shuts out people who refuse the shots, blocking them from public services, work, or housing.

Banks and Corporations Cut Ties with President Trump and Republicans who Opposed Election Fraud

written by GEG | January 14, 2021

After the event in the Capitol last week, Deutsche Bank AG announced it is terminating business with President Trump. American Express, MasterCard, Morgan Stanley, Goldman Sachs, JPMorgan, and Stripe are cutting ties with Trump and other Republicans who opposed the 2020 election results favoring Joe Biden.

The Literal Crimes of Dr. Fauci, Dr. Redfield, and Health and Human Services Secretary Alex Azar

written by GEG | January 14, 2021

Dr. Martin said that Americans have been forced us to participate in a clinical trial that violates the Federal Trade Commission Act that forbids the promotion of the treatment or prevention of disease by an untested medical technology.

Solutions Watch: Freedom Cells and the “Greater Reset” to Counter Globalism

written by GEG | January 14, 2021

John Bush is co-organizing a 5-day event with many expert speakers focusing on practical steps toward personal liberty and decentralization. It will be live-streamed for free, January 25th – 29th, 2021.
