

Democrats Propose Changes To Election Laws to To Make Voter Fraud Even Easier

written by GEG | January 29, 2021

The 'For the People Act' bill opens the door to fraud. It includes universal mail-in ballots, early voting, automatic registration through the DMV, legalized ballot harvesting, banning voter-ID requirements, allowing felons to vote, and same-day voter registration.

Southern California Health Care Worker Dies Shortly After 2nd Dose of Covid-19 Vaccine

written by GEG | January 29, 2021

Tim Zook's cause of death has not been announced. His widow Rochelle told the newspaper. "When someone gets symptoms 2½ hours after a vaccine, that's a reaction. What else could have happened?"

US Troops in Washington DC Is Propaganda Psy-Op Promoting Phony Threat of "Domestic Terrorism"

written by GEG | January 29, 2021

Congressman Thomas Massie said that “domestic terrorist” is so broadly defined that it includes soldiers in the National Guard, conservative members of Congress, and millions of Americans. Democrats are creating a false image of a crisis, the Capitol under siege, to expand government power and erode Americans’ rights.

Controlled Opposition? Proud Boys Leader Enrique Tarrio, Top Organizer of Capitol Protest, Previously Was an FBI Informant

written by GEG | January 29, 2021

The FBI has a long record of orchestrating terrorist plots which then easily can be thwarted just in time to prevent them, thus, creating the impression that there are terrorist plots everywhere. In this case, the “storming” incident is serving as an excuse to label those who oppose the Left as “domestic terrorists.”

Robinhood Trading App Is Shut Down to Help Hedge Funds Cover Their Bad Investments

written by GEG | January 29, 2021

Robinhood, the investment app for independent investors, banned its users under pressure from hedge funds, proving there is no free-market trading on Wall Street. Tucker Carlson said that Robinhood gathers information from its users and sells it to hedge funds that use it against the small independent investors.

Small Investors from Reddit Push Wall Street Hedge Funds to Brink of Bankruptcy by Beating Them at Their Own Game

written by GEG | January 29, 2021

Users of Reddit, many with modest trading accounts, realized that, if they all bought the shares as fast as hedge funds were shorting and dumping them, they could cause the price to go up, and turn the tables on the attack on GameStop and, temporarily, at least, make a profit and cause a “short squeeze.”

Las Vegas Schools Hasten to Reopen Amid Rash of Student Suicides

written by GEG | January 29, 2021

There was a 24% increase in the number of children going to emergency departments with mental health issues compared to 2019. Among young people, lockdowns caused more suffering and death than the alleged pandemic. [And none of the health officials and politicians who have brought this about will be held responsible!]

Merck Scraps Its COVID Vaccine; Says it's More Effective to Get the Virus and Recover Naturally

written by GEG | January 29, 2021

There is no hint in Merck's announcement that adverse reactions, including disability and death, in the first patients to get the vaccine had anything to do with the change in policy, and Merck goes out of its way to say that the vaccine was well tolerated during the trial, but there is reason to be skeptical.

18-Year-Old College Student Turns His Father in to FBI, Gets \$138K on GoFundMe

written by GEG | January 29, 2021

As far as we know, none of the Antifa mercenaries with American flags destroying

property and inciting violence at the Capitol were ever charged with anything, but genuine Trump supporters were charged with obstruction of justice and unlawful entry. Would this boy have turned in his father if he had been Antifa or BLM?

Antifa Continues to Riot After Democrats Take Power

written by GEG | January 29, 2021

Antifa organizes in the open over Twitter and Facebook, and its members publicly declare their intentions to wreak havoc. It's the textbook definition of domestic terrorism, but Democrats are focused only on their opponents, the great majority of whom are peaceful. The consequence is that violence will spread.

California Governor Newsom Follows New York, Michigan, and Chicago in Lifting Stay-At-Home Orders

written by GEG | January 29, 2021

Days after Joe Biden took power, Democrat governors who previously issued severe shutdown orders are easing restrictions. Now that Democrats are in power, apparently the virus threat suddenly has decreased. Democrat politicians simultaneously have come to the same conclusion. Meanwhile, businesses still are closing.

ICE Agents Ordered to Release All Detainees, Including More than 10,000 Convicted and Suspected Criminals

written by GEG | January 29, 2021

Former presidential advisor Steven Miller says that, last year, 180,000 migrants were deported and that 92% of them were either charged or convicted of a crime. ICE will no longer pick up criminals in police or sheriff's custody, thus leaving 12,000 foreign criminals to be released into communities across America.
