Biden Signs Executive Order for Federal Control over 30% of America's Land and 30% of US Oceans

written by GEG | February 18, 2021

President Biden signed an executive order to “protect” 30% of US land and 30% of US

oceans by 2030. Much of the land now is privately owned, so the plan is to put an end to private property by any means necessary, including confiscatory taxation and regulation.
