Biden's cognitive abilities have been questioned, and Democrats fear allowing him sole discretion over launching nuclear weapons.

Researchers Report that Deaths from Covid Vaccine for Israel's Elderly is 40 Times Greater than Deaths from Covid-19 Itself

written by GEG | March 3, 2021

Dr. Hervé Seligmann and engineer Haim Yativ examined the statistics and concluded that the Pfizer vaccine killed "about 40 times more elderly people than the disease itself would have killed". They say the death count is too low for vaccinated people because there will be delayed deaths from long-term complications.
