Biden's \$2-Trillion "American Jobs Plan" Will Kill Jobs, Raise Taxes, and Enforce Green New Deal Policies

written by GEG | April 5, 2021

Congressman Steve Scalise said that the bill raises taxes, increases debt, bans right to work laws, kills energy jobs, and mandates Green New Deal provisions. To fund the plan, Biden is proposing a corporate tax-rate of 28%, which will cause more businesses to leave the US and ship jobs overseas.

Plan Revealed to Use Covid Vaccines as the "Ticket Back to Pre-Pandemic Life"

written by GEG | April 5, 2021

CNN medical analyst Dr Leana Wen was concerned that millions of Americans would reject the experimental Covid-19 vaccines, especially as businesses are reopening. She said " ... if everything is reopened, what's the carrot going to be? How are we going to incentivize people to actually get the vaccine?"
