

Dr. Mercola 'Deleting all Content' due to Threats from Biden Regime; CNN Stalks Him in the Street

written by GEG | August 6, 2021

The FDA threatened Mercola by claiming he was marketing basic vitamins (Vitamin C and D) as a “coronavirus treatment”. Mercola appears to be trying to prevent the loss of his entire business, being hit with massive fines, and potential jail time as Biden has every three-letter agency at his disposal.
