

# “Mass Graves” in Ukraine Is Just Another Fake News Hoax by Western Media

According to Western media, Russian forces secretly buried up to 9,000 Mariupol civilians in “mass graves” in a town just west of the city. However, it never happened, there is no mass grave. It’s actually just a normal, small, cemetery; there are no pits or mass graves. Journalist Eva Bartlett provided video showing grave diggers refuting the Western claims designed to demonize Russia and stir up support for war.
