

5th Largest US Life Insurance Company Total Claims Payouts Increased by \$6 Billion!

written by GEG | June 22, 2022

The company paid out more than \$28 billion for all direct claims in 2021, which is \$6 billion more than in 2020, when it paid out a total of \$22 billion in the year of the 'pandemic'. There was a huge uptick in death payments in 2021 when the COVID-19 injections were introduced.
