## 58 Babies who Received COVID-19 mRNA Vaccines Suffered Life-Threatening Injuries

written by needtokn | June 27, 2022

It is unethical to give a baby a vaccine for a disease that the chances of getting severely ill or dying from it is almost zero while life-threatening vaccine injuries are very significant. The FDA should have been aware of so many serious adverse events, and if they did know about them, why did they ignore them?

## 7-Minute Cure for COVID Misinformation – The Testimony of Dr Dan Stock

written by needtokn | June 27, 2022

Dan Stock, MD, a family-practice physician in Noblesville, Indiana, testified on August 7, 2021, before the local Mt. Vernon School Board. His presentation immediately went

viral – and for good reason. In slightly less than seven minutes, Dr. Stock explained why everything advocated by the CDC and National Institute of Health are contrary to known science. We will not attempt to summarize his presentation, because it is like a fast-moving freight train with a hundred box cars of information rolling by. The amount of information packed into his short presentation is phenomenal. Expect the pro-vaccine gate keepers of information to go ballistic over the fact that this has gone viral and do everything in their power to discredit this courageous doctor.

## The Covid Con Game and End Game

written by needtokn | June 27, 2022

After examining the Covid vaccine's devastating effect on the immune system and projecting the number of deaths that will be caused by that over time, Dr. Merritt concludes that the end game is human depopulation – a long-held goal of those who are the funders and designers of the vaccine. What if she is right?

# Microbiologist Says Vaccines will Decimate the Population of the World

written by needtokn | June 27, 2022

Dr. Bhakdi says that mRNA vaccines are loaded with poisons and alter the immune system in such a way that it will greatly overreact when exposed to almost any pathogen including the flu. The attacks by their own immune system will be more deadly than the disease itself. He begged people not to take the vaccine.
