

Department of Transportation Looking Into Disabling Cars At-Will

written by GEG | March 1, 2024

Biden's Department of Transportation (DOT) has started the process of implementing a device mandate in all new cars that would spy on driving and have the ability to disable cars. Mandating a kill switch in vehicles would be the death of automobile and travel autonomy.

G. Edward Griffin Explains Why Banks Want the System to Crash, Dollar to Plummet and For You to be Desperate

written by GEG | March 1, 2024

Griffin reveals the shocking truth about how crises benefit the elite, the hidden agenda behind the erosion of the dollar, and the unsettling reset reshaping our world. Griffin explains the role of individualism over collectivism in defeating tyranny.

Satellites Invading Privacy: When Eyes in the Sky Start Looking Right at You

written by GEG | March 1, 2024

Albedo aims to image objects as small as four inches. The technology became possible in 2018 when the Trump administration relaxed the regulations that govern civil satellite resolution. Albedo Space was criticized for being a “giant camera in the sky for any government to use at any time without our knowledge.”

Australian Parliament Calls On UK To Free Julian Assange!

written by GEG | March 1, 2024

Assange said that all wars are based on lies promoted by the media that he called “War by Media.” He stated that while politicians and soldiers are war criminals, journalists who promote war lies are also war criminals. Our reality is constructed by liars.

France’s ‘Article Pfizer’ Could Send Those who Criticize mRNA Jabs to Prison for 3 Years

written by GEG | March 1, 2024

Criticism of mRNA shots, when deemed obligatory or recommended by the state, could result in up to 3 years of imprisonment or a fine of 45,000 euros. The new law aims to chill public discourse, silence doctors, and to discourage whistleblowers who may have valid concerns about mRNA technology or other treatments.

House Speaker Stops \$95 Billion Funding Bill for Ukraine and Israel that Triggers “National Security Threat”

written by GEG | March 1, 2024

Republicans Matt Gaetz and Andy Ogles accused Representative Turner of having ulterior motives for issuing his 'warning' and creating fear. They cited the battle over both funding for Ukraine and Israel and a bill to reauthorize the nation's warrantless spy powers.

G. Edward Griffin Exposes the Cancer Conspiracy and Warns Against Controlled Opposition

written by GEG | March 1, 2024

Mr. Griffin said that cancer is directly related to diet and a deficiency of amygdalin that can be supplemented. He also answered questions and explained the strategy of controlled opposition.

Israeli Lawmakers Propose 5 Years in Prison for Those who 'Deny' Or 'Downplay' Oct. 7 Hamas Attack

written by GEG | March 1, 2024

The beheading of 40 Jewish babies and mass rape, among other atrocity propaganda stories, have recently been debunked. This proposed law is a threat against journalists from Haaretz and other Israeli news organizations that debunked much of the atrocity propaganda Israel put out after Oct 7.

Ex-CIA Computer Engineer Who Leaked Secrets to WikiLeaks Gets 40 Years in Prison

written by GEG | March 1, 2024

Code Pink wrote: “Joshua Schulte has been sentenced to 40 years in prison. There have been no consequences for those at the CIA whose cyber hacking efforts he revealed. This is a vicious attempt to intimidate whistleblowers from informing the public about our government’s crimes.”

FBI Orders Banks to Flag Purchases Tied to Religion or MAGA

written by GEG | March 1, 2024

The FBI, US Treasury, and Joe Biden have now weaponized Americans' own banks against ordinary citizens, ordering them to search and flag people for things like reading religious texts (like the Bible) or having MAGA in the description of payments.

Red State Governors Stand with Texas Against Biden Regime Over Border Crisis

written by GEG | March 1, 2024

Gov. Abbott declared an invasion under Article I, § 10, Clause 3 to invoke Texas's constitutional authority to defend and protect itself. He said that authority is the supreme law of the land and supersedes any federal statutes to the contrary, Democrats are urging Biden to seize control over the Texas National Guard.

Showdown: Texas Defies Supreme Court, Installs More Razor Wire Along Border

written by GEG | March 1, 2024

The Texas National Guard defied the Supreme Court's order allowing the Biden regime to cut and remove razor wire installed along the southern border and installed more razor wire. Critics have suggested the Supreme Court Justices have been threatened, bribed and extorted.
