

# UK: Teen Workman's Hand Chopped off with an Axe in a Gang Attack

written by GEG | October 23, 2019

Mohammed Awais Sajid swung an axe at arborist Cameron Brooksbank's head and called him a "white bastard". When Brooksbank tried to block the blow with his hand, it was chopped off. The attack ended when one of the tree trimmers threatened the gang with a chainsaw.

## The UN Is Going Broke (Again) as the US Has Stopped Paying Its Assessments (Again)

written by GEG | October 23, 2019

The UN says it is going broke because the US, which funds about 30% of the UN's budget (about \$10-billion per year) once again has stopped paying. State Department officials said the US government would pay up soon.

## US Congresswoman Ilhan Omar Calls on UN to Take Control of US Borders in Mirror of European Migrant Invasion

written by GEG | October 23, 2019

Democrat Representative Ilhan Omar advocates that the UN take control of the US border with Mexico, although the action would be the end to nationhood. If her plan were adopted, the US, like Europe, would be deluged with millions of migrants.

# US Treasury Official at the Center of US Sanctions and Policies Against Iran May Be an Israeli Citizen

written by GEG | October 23, 2019

these Treasury Department Officials know that over 7

Sigal Mandelkeris, an Israeli-born US Treasury official, is reported to be in control of the current economic sanctions. Israel considers Iran to be her primary enemy, so an Israeli citizen in such a position opens the possibility that US policy may be motivated by loyalty to Israel, not to the US.

## Leaked Documents Show NSA Gave Israel Full Access to US Citizens' Data in 2009

written by GEG | October 23, 2019

A memorandum from 2009 shows that Israelis received full access to the NSA's massive surveillance data troves, including the phone and internet records of American citizens and citizens of third-party countries. American official made sure to exempt themselves from this massive invasion of privacy.

## UN: Humans Could Cause Extinction of One Million Species, But Globalism Can Fix It

written by GEG | October 23, 2019

The UN accused humans of killing the planet and its animals and plants, with as many as one million species facing extinction in mere decades. This is an extension of the UN's Agenda 21 and Agenda 2030 to bring about totalitarian rule in the guise of environmentalism.

## Democrat Congresswoman Ilhan Omar Blames 'White Nationalism' for Border Crisis Forcing Outdoor Detention of Migrants

written by GEG | October 23, 2019

Hundreds of illegal immigrant families are being held in the outside parking lot of a Customs and Border Patrol (CBP) station because there is no room for them inside, or anywhere else. The illegal aliens are usually processed within 24 hours and then moved to a different facility.

---

## US Projected to Add 1.5 Million Illegal Aliens to Population this Year, at a Cost of \$116 Billion

written by GEG | October 23, 2019

Research shows that immigration to the US shifts about \$500 billion in wages away from working and middle class Americans toward new arrivals and economic elites.
