'Vulture Capitalist' Paul Singer reportedly is buying up shares of Twitter stock in order to oust CEO Jack Dorsey. While Dorsey does censor conservative Twitter users, Singer could be worse. Singer funded the Steele dossier that set off Mueller's Russia investigation, he pressured the GOP to accept the LGBT agenda, and he is driving the transfer of America's tech companies to Israel. -GEG

Vulture Capitalist Paul Singer, a major pro-Israel donor who pushed the GOP to embrace the LGBT agenda and funded the notorious Steele dossier, is reportedly buying up shares of Twitter stock in order to oust CEO Jack Dorsey.

From [Bloomberg, "Singer's Elliott Seeks to Replace Twitter CEO Dorsey"](#):

*Activist investor Elliott Management Corp. has taken a sizable stake in Twitter Inc. and plans to push for changes at the social media company, including replacing Chief Executive Officer Jack Dorsey, according to people familiar with the matter.*

*The New York-based firm has nominated four directors to*

*Twitter's board, said the people, who asked to not be identified because the matter isn't public.*

*There are only three seats becoming available at this year's annual meeting but Elliott wanted to ensure that it nominated enough directors to fill all three seats or any other vacancies that may arise, the people said. The exact size of Elliott's stake couldn't be determined.*

*Elliott approached San Francisco-based Twitter about its concerns privately and has had constructive discussions with it since then, the people said.*
