

Muslim Malaysia Bans Israeli Ships at Its Ports Citing 'Cruelty Against the Palestinian People'

written by GEG | December 22, 2023

Malaysia announced that the country is imposing a ban on all Israeli owned and flagged ships. Muslim-majority Malaysia has long championed Palestinian rights and causes. Like nearby Indonesia, Brunei, Bangladesh, the Maldives and Pakistan, it does not recognize Israel.

California Approves Toilet-to-Tap Recycled Sewage Water for Use as Drinking Water

written by GEG | December 22, 2023

California and Colorado are the only two states that allow wastewater to be used for drinking water. The CalMatters article cited 'climate change' as the cause of water shortages in California, but radical environmental regulations limiting water distribution is the major cause of 'man-made' drought in the state.

Colorado Supreme Court Rules Trump Disqualified From The 2024 Ballot

written by GEG | December 22, 2023

In a historic decision on December 19, 2023, the Colorado Supreme Court barred Donald Trump from running in the state's presidential primary after determining that he had engaged in insurrection on January 6, 2021.

Investigative Journalist Debunks Atrocity and Rape Stories Promoted by Israeli 'Rescue' Groups

written by GEG | December 22, 2023

The most inflammatory allegations have emerged from ultra-Orthodox volunteer organizations such as ZAKA and its rival United Hatzalah in order to raise millions of dollars from wealthy Jewish donors abroad. Israeli spinmeisters seek out lurid testimonies to justify collective punishment against the Palestinians.

Oklahoma Governor Signs Executive Order Effectively Banning DEI In All State Institutions

written by GEG | December 22, 2023

Oklahoma Governor Kevin Stitt signed Executive Order 2023-31, effectively banning diversity, equity and inclusion bureaucracies in state institutions that include schools for higher learning.

Tennessee Atty. General Sues BlackRock Over Environmental ESG Activism

written by GEG | December 22, 2023

The lawsuit accuses BlackRock of leveraging its influence over companies in which it holds shares to pressure management to pursue goals such as achieving “net-zero” carbon emissions by 2050. It also claims that BlackRock misled investors by asserting that they could achieve higher returns through ESG.

University of Washington Gives Female Volleyball Scholarship to Trans Athlete

written by GEG | December 22, 2023

UW appears set to award one of only 12 female volleyball scholarships to Tate Drageset, a 17-year old natural-born male who is transgender and reportedly began “transitioning” at the age of 12. None of his teams, schools, or volleyball associations have revealed that he is a male playing as a transgender girl.

Soros-Backed Jewish Organization, IfNotNow, Protest Shuts Down Freeway in Los Angeles

written by GEG | December 22, 2023

A group called IfNotNow, which describes itself as a movement of American Jews supporting the end of US support for Israel's war on Gaza, claimed responsibility for the protest, which shut down a freeway in Los Angeles on Wednesday morning.

Gang of Teens Brutally Attack Student Who Is Hospitalized with a Skull Fracture

written by GEG | December 22, 2023

Multiple black students surrounded an 18-year-old white student and one of the attackers lifted and then dropped him head-first onto the pavement. There was a crowd of students who filmed the fight instead of calling for help.

SAG-AFTRA Hit With Over 100 Covid Vaccine Mandate Suits By Members

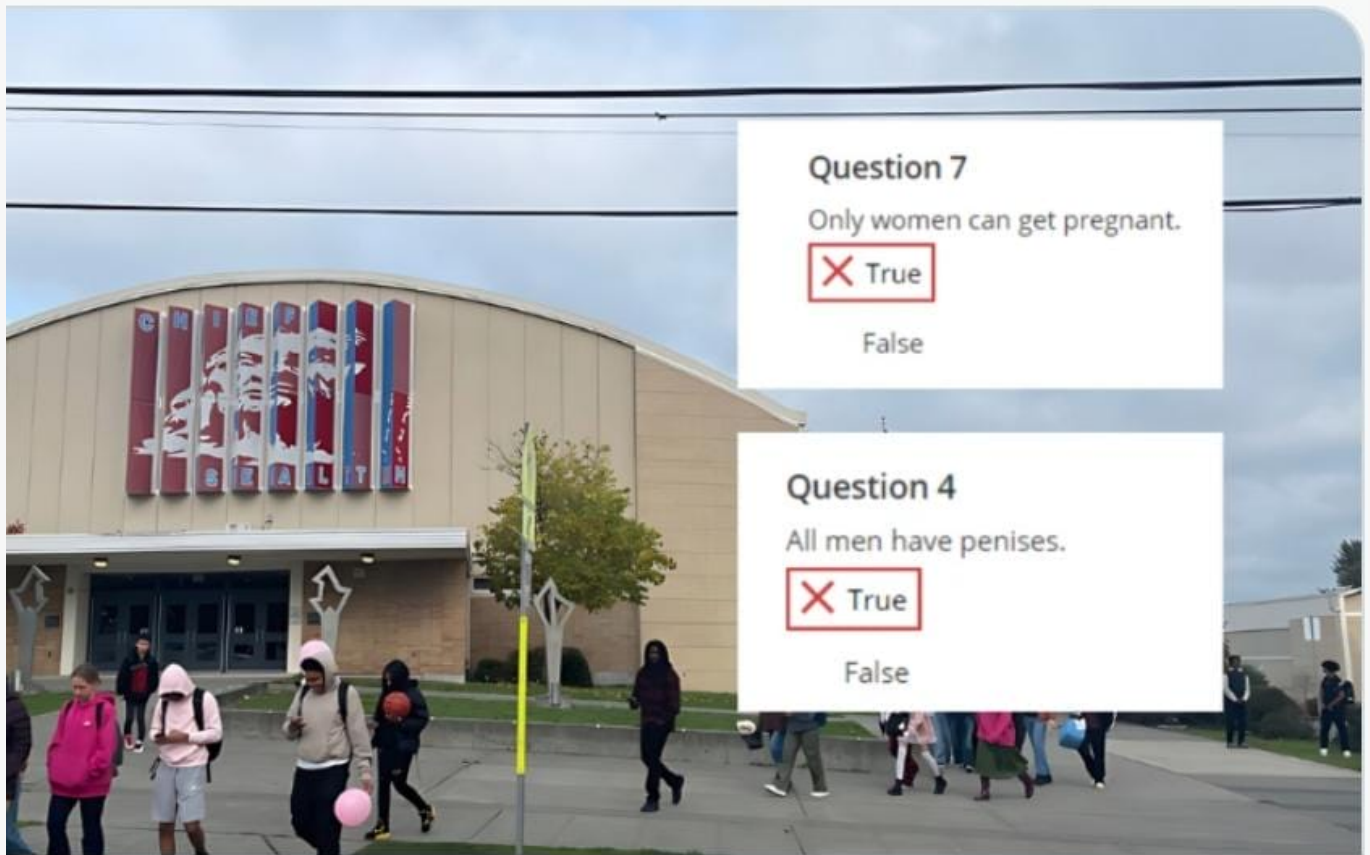

written by GEG | December 22, 2023

Over 100 individual suits placed in the LA Superior Court docket claim the Guild threw members under corporate buses during the height of the pandemic, joining with the studios to require vaccinations to work. Along with SAG-AFTRA, studios like Disney and Netflix have been taken to court over the vaccine requirements.

Seattle Student Fails Quiz After Answering That Men Can't Get Pregnant

written by GEG | December 22, 2023

A critic wrote that activist teachers know they're confusing the youth, but they just do it anyway because it'll help bring down the West. They don't want inclusion, they want confusion. They want the English language to get rekt.

Leftists Ordered to Pay \$500 for Burning Down a Wendy's Sparking Outrage

written by GEG | December 22, 2023

Chisom Kingston and Natalie White, the two convicted of burning down a Wendy's, were found guilty of conspiracy to commit arson and two counts of first-degree arson. They were fined \$500 and got 5 years probation.
