State Farm reportedly was intentionally trying to target kindergartners for discussion around transgender issues, sexual identity issues, without notifying their parents and without their consent. The news upset many of State Farm's customers. Many State Farm agents also disagreed with the program.

Revelation of the Method: Why Do Elites Tell Us What They Are Going to Do?

written by GEG | January 15, 2023

Revelation of the Method is the suppression of the counterargument, followed by the revelation of aspects of what really happened, but in a limited way, after it is too late. For example, vaccines were declared harmless, until Pfizer debased their own safety claims, but not before the entire world had been vaccinated.
