

Dutch Police Fire Live Rounds at Anti-Green Agenda Protesters. Police May Be Involved with Controlled Opposition.

written by GEG | July 6, 2022

Multiple videos appear to show that some protesters, known as Romeos, have been discovered embedded within protests, presumably in an effort to spy on activist leaders or stage violent stunts, and have been protected by the police.

Holland: Police Turn Water Cannons on Anti-Lockdown Protesters

written by GEG | July 6, 2022

The press is portraying this as massive rioting and violence, but we notice from the images in this news story that – just as in the US – the number of violent rioters and looters could be agent provocateurs, hired to throw bricks, break windows, set fires, and turn public opinion against those who resist lockdown.

Analysis of Ashli Babbitt Shooting Videos Suggests Coordinated Actions by Leftists

written by GEG | July 6, 2022

John Sullivan, the founder of InsurgenceUSA, who is affiliated with Black Lives Matter and held an anti-Trump rally just before the the event at the Capitol, was at the scene when Ashli Babbitt was shot. He shouted that she was dead, and the analyst said it was to perhaps cause a violent reaction by Trump supporters.

BLM Man Who Filmed Ashli Babbitt Inside Capitol Organized Leftist Protest Near the Building Before It Was Stormed

written by GEG | July 6, 2022

A flyer from InsurgenceUSA promoted a meeting on January 6th in Washington DC to “Dump Trump for Good.” Sullivan tweeted, under the pseudonym Jayden X, that Trump supporters were targeting BLM supporters’ buses and were trying get pictures and addresses of where the leftist group would be staying on the 6th.

Is the Man Wearing the Fur Hat with Horns an Undercover ‘Super Soldier’?

written by GEG | July 6, 2022

Man who claims to be Chansley says he is enrolled as an intel agent in the “super soldier” program of the US Navy. He also says he has worked with or among members of BLM who, until now, did not know he is a government agent.

Denver: New Evidence Emerges in Case of Patriot Who Was Shot to Death

written by GEG | July 6, 2022

New evidence in the case contradicts the narrative, as video shows that another man, Jeremiah Elliott, a BLM Antifa leader wearing a 'Black Guns Matter' t-shirt, was harassing the patriots, leading critics to question whether the shooting was a coordinated effort.

Suspected Agent Provocateurs Who Incited the Destruction of AutoZone Caught on Video

written by GEG | July 6, 2022

Journalist Caitlin Johnstone shows that, historically, police often have agent provocateurs at protests to destroy property and incite violence to provide an excuse for strong counter-measures.

Video Proof That Undercover Police, Posing As Antifa, Are Inciting Violence

written by GEG | July 6, 2022

All groups are targeted: left, right, all races and religions. The goal is to create hatred and violence between them, an old strategy called divide and conquer.
