

A Black Lives Matter Leader Delivers A List of Demands Designed to Prod White People into Violence So A Real Race War Can Unfold

Chanelle Helm, the co-founder and core organizer of Black Lives Matter Louisville, prepared a list of demands for white people to turn over their homes and property to black or brown people. [The demands are so outrageous and insulting that, clearly, they are not serious. They are designed to outrage white people and prod some of them into a violent reaction. Race conflict leading to martial law is the true goal of George Soros and the Deep State who are funding and orchestrating the Alt Left and the Alt Right.] –GEG

Some things I'm thinking about that should change (in that Southern, black grandmama voice):

1. White people, if you don't have any descendants, will your property to a black or brown family. Preferably one that lives in generational poverty.
2. White people, if you're inheriting property you intend to sell upon acceptance, give it to a black or brown family. You're bound to make that money in some other white privileged way.

3. If you are a developer or realty owner of multi-family housing, build a sustainable complex in a black or brown blighted neighborhood and let black and brown people live in it for free.

4. White people, if you can afford to downsize, give up the home you own to a black or brown family. Preferably a family from generational poverty.

5. White people, if any of the people you intend to leave your property to are racists assholes, change the will, and will your property to a black or brown family. Preferably a family from generational poverty.

6. White people, re-budget your monthly so you can donate to black funds for land purchasing.

7. White people, especially white women (because this is yaw specialty – Nosey Jenny and Meddling Kathy), get a racist fired. Yaw know what the fuck they be saying. You are complicit when you ignore them. Get your boss fired cause they racist too.

8. Backing up No. 7, this should be easy but all those sheetless Klan, Nazi's and Other lil' dick-white men will all be returning to work. Get they ass fired. Call the police even: they look suspicious.
