

Australian Senator Takes Hard Stand Against COVID Injections and Tyranny

written by GEG | January 2, 2023

The Senator revealed that Australia had 8,706 extra deaths above norm in 2021 compared to the number of deaths in 2020 – there should have been fewer deaths in 2021 after COVID vaccines were introduced. He reported that over 140,000 people suffered from vaccine injuries after taking the jab.
