

Former State Dept. Official Warns of Color Revolution Plot to Shut Down 2024 Election

written by GEG | December 18, 2023

Mike Benz described a bipartisan plot in 2020 to kick off a color revolution using Black Lives Matter to cause havoc in the streets of America if President Trump had refused to step down from office. Benz warned that the same plan will be used in 2024 if Trump wins the election.
