

# Ron Paul Explains what the FBI/ FISA Memo Really Tells Us about Our Government

written by GEG | February 6, 2018

First, the FBI/ FISA memo demonstrates that there is a 'deep state' that does not want mere elections to threaten its existence. Second, the memo shows us that neither Republicans nor Democrats care about surveillance abuse of average Americans. Third, war hawks from both sides of the aisle used 'Russia-gate' to build animosity against Russia and bigger defense budgets for the Military-Industrial Complex. Paul advises: Be skeptical of both parties.

## Former FBI Agent Says the Agency Eventually Will Destroy Trump

written by GEG | February 6, 2018

Phil Mudd, a former CIA and FBI agent, says he believes the FBI will make sure the agency eventually comes out on top in a head-to-head battle with the president. Mudd says the bureau is angry about the release of the FISA memo and about Trump's criticism of the FBI. Last year, Mudd said the "government's gonna kill this guy"

## President Trump Says He Wants to Unite America "Without a Major Event"

written by GEG | February 6, 2018

Trump said: "I would love to be able to bring back our country into a great form of unity," Then he added: "Without a major event where people pull together, that's hard to

do. But I would like to do it without that major event, because usually that major event is not a good thing.” He is referring to an event like Pearl Harbor or 9/11. One can only wonder if the President has been briefed on the possibility of another Pearl Harbor or 9/11 with the result that he would have no choice, as the nation’s leader, but to establish the kind of unity that comes with public fear and martial law. Now we know that this possibility is on his mind.

## Special Counsel Robert Mueller's Investigation of Michael Flynn Could Be More Damaging to Mueller Than to Flynn

written by GEG | February 6, 2018

Flynn was hired by the Turkish government to gather information on Fethullah Gulen, a radical Islamic cleric who has links to terrorism. Flynn's investigation was perfectly legal. However, when Mueller was head of the FBI, he closed down the FBI's own investigation of Gulen and quashed the testimony of an FBI whistleblower who tried to expose these facts.
