

How to End Vaccine Mandates – A History Lesson

written by GEG | February 24, 2022

Dr. Mercola chronicles 200 years of outbreaks of smallpox and plagues, which were often related to lack of sanitation and poor diet. Forced vaccine programs failed to prevent infection and transmission. Those who don't know their history are bound to repeat it.

New Zealand Prime Minister Admits “There’s Not Going To Be An End Point To This Vaccination Program”

written by GEG | February 24, 2022

New Zealand Prime Minister Jacinda Ardern has candidly revealed that “there’s not going to be an end point to this vaccination program,” as she called on people who got jabbed six months ago to come back for another shot. The program of continual vaccination is designed to last a lifetime. It truly never ends.

Greece Plans to Impose Monthly Fines of \$113 for People Over 60 who Refuse the Covid Vaccines

written by GEG | February 24, 2022

Greece is set to make COVID-19 vaccines mandatory for people aged 60 or older, imposing monthly fines of \$113 on those who haven't booked their first shot by January 16.

Germany Announces Lockdown for Unvaccinated People. Merkel Proposes Forced Vaccines.

written by GEG | February 24, 2022

Germany is locking down unvaccinated people. Merkel proposed compulsory vaccinations, but mandated vaccines would have to be approved by the country's parliament first.

US Supreme Court, Supported by Both Parties, Declines to Hear Case against Vax Mandates

written by GEG | February 24, 2022

All 148,000 staff in the NYC school district were ordered to be vaccinated against Covid by October 1, or face being placed on unpaid leave until the following year, September 2022. The Supreme Court has failed to remedy the vaccine mandates at this time, allowing dangerous mandates to prevail and set a precedent.

Australia – The law is on Your Side When Government Tries to Force Vaccination

written by GEG | February 24, 2022

Former Lt. Colonel Riccardo Bosi, the head of the Australia One Party, explained why the Australian government's COVID19 policies are unlawful and gave advice to civilians and soldiers on how to protect themselves from tyrannical leaders. Although this is Australian law, there are strong parallels in most countries.

Biden Launches Campaign to Go 'Door-to-Door' to Compel Americans to Get the Jab

written by GEG | February 24, 2022

The Biden administration is organizing a door-to-door campaign to encourage unvaccinated Americans to take the jab, indicating that the government is keeping tabs on who has taken the 'optional' vaccine.

Florida Bill “Banning Vaccine Passports” Actually Allows State To “Use Any Means Necessary to Vaccinate” Citizens

written by GEG | February 24, 2022

The bill states: “If the individual poses a danger to the public health, the State Health Officer may subject the individual to isolation or quarantine. If there is no practical method to isolate or quarantine the individual, the State Health Officer may use any means necessary to vaccinate or treat the individual.”

Censored News: Kentucky Passed SB 8 into Law Allowing Opt-Out of COVID Experimental Vaccines, Even During an ‘Emergency’

written by GEG | February 24, 2022

Other bills filed in Kentucky would bar the government from requiring any person to get a vaccine, prohibit employers from requiring a vaccine, ban discrimination against an employee who declines to get a vaccination, and prohibit colleges from requiring students to be vaccinated except for students in health care programs.

New York State Lawmakers Propose Medical Detention Camps and Forced Vaccination

written by GEG | February 24, 2022

Assembly Bill A416 allows the governor or health authorities to detain anyone deemed a health risk and to require them to submit to medical examinations as well as undergo a “prescribed course of treatment, preventative medication or vaccination.”

New York Lawmaker Linda Rosenthal Submits Bill to Force COVID Vaccine on Citizens

written by GEG | February 24, 2022

Governor Andrew Cuomo stated that you cannot make someone take a vaccine, but the state can coerce an individual to be vaccinated as a “condition” of other things, such as

receiving welfare or enrolling your child in school.

New England Journal of Medicine Publishes Paper Calling for Mandatory COVID-19 Vaccine

written by GEG | February 24, 2022

The paper suggests that “employment suspension or stay-at-home orders,” should be issued, but that fines should be discouraged because they can be legally challenged. The paper also recommends that government health authorities should avoid making public their close relationship with vaccine manufacturers
