

Illegal Aliens Stole 39-Million Social-Security Numbers as a Result of Obama-Era Decision

written by GEG | September 21, 2018

Illegal aliens have stolen 39-million Social-Security numbers which now are being used to work in the US. The issue stems from an executive order issued by Obama that stopped notification to employers if their workers' identities didn't match up with the Social-Security number on their W-2 tax forms.
