

# Democrat Senator, Mazie Hirono, Blames Men for Sexual Assault and Puts the Burden of Proof on the Accused

written by GEG | September 25, 2018

Senator Mazie Hirono, a supporter of Christine Blasey Ford, says that American men need to “shut up and step up.” She says that women like Dr. Ford need to be heard and believed, presuming that all men are guilty and all women should be believed even without evidence or due process.
