

Moderna Paid \$400 Million to the US National Institute of Health (NIH)

written by GEG | August 21, 2023

Moderna paid the US National Institute of Health (NIH) \$400 million. Senator Paul said that he opposes people in government receiving money from Moderna, a vaccine manufacturer, when the same agency determines how many vaccines people take – there is a conflict of interest.

Heart Injuries from COVID Vaccine 3000x Higher than CDC Admits, Study Finds

written by GEG | August 21, 2023

The small peer-reviewed study found that out of the 777 participants – all medical professionals at the median age of 37 who received the Moderna COVID mRNA vaccine – nearly 3% of the subjects had elevated cardiac enzymes just 3 days after taking the shot, indicating heart muscle damage.

FDA Forced to Release 15,000 Documents about Testing and Safety of Moderna Shot

written by GEG | August 21, 2023

One study recorded that 16 people died after receiving the Spikevax injection, but only two had autopsies that were noted in the study. Yet those running the Moderna studies concluded, despite the absence of evidence, that the Moderna vaccine was not related to deaths occurring after the jabs.

Moderna Is Giving \$400 Million in Vaxx Profits to the National Institute of Health (NIH)!!

written by GEG | August 21, 2023

RFK tweeted that Fauci's agency owned the Moderna patent and stood to make half a billion \$ from the COVID jab Fauci developed in his lab. It was exempted from viable safety testing and liability and was then forced on public with lies, propaganda and coercion.

Moderna Begins Trials for New mRNA Shot to be Injected Directly into the Heart

written by GEG | August 21, 2023

Moderna's mRNA COVID 'vaccine' causes major heart problems. A Swiss study found the COVID mRNA shots injured the hearts of ALL its recipients. NewsWars reported that Moderna has used its profits from its mRNA COVID shot to fund their new product that treats those same heart problems. "Absolutely diabolical."

FDA Advisors Unanimously Endorse Pfizer, Moderna COVID Shots for Infants and Young Kids, Ignore Pleas to 'First Do No Harm'

written by GEG | August 21, 2023

If approved by the FDA, Pfizer's three-dose, 3-microgram vaccines would cover children 6 months to 5 years old, while Moderna's two-dose, 25-microgram shots cover children 6 months to 6 years old.

Wall Street Insider Edward Dowd and Naomi Wolf Discuss New COVID Vaccine Data

written by GEG | August 21, 2023

Wall Street insider Edward Dowd explains the 'pump and dump' scheme for Pfizer stock and Naomi Wolf drops multiple bombshells based on the discoveries by teams of researchers studying FDA documents about Pfizer's COVID vaccines that were recently published.

Pfizer Added Differing Amounts of Active Ingredient to Batches of COVID Vaccine

written by GEG | August 21, 2023

Naomi Wolf revealed American Medical Association documents that confirm that Pfizer was adding varying amounts of active ingredient to their experimental COVID vaccines. According to the data, the range of dangerous active ingredient went from 3 μ g, to 10 μ g, to 30 μ g, to 100 μ g depending on which batch was used.

Moderna Stock Crash: Losses Top \$140 Billion As Insiders Sell Millions of Dollars In Shares

written by GEG | August 21, 2023

Moderna's stock plunged 72% from an all-time closing high of \$484 on August 9, 2021. The crash followed a report from the CDC that declared Moderna and Pfizer booster shots lost substantial effectiveness after about four months. In addition, four Moderna executives sold off millions in stock.

COVID-19 'Vaccine' Deaths Soar in Europe. Mass Funeral Protest for Children Held in Switzerland

written by GEG | August 21, 2023

The European database of suspected drug reactions is now reporting 38,983 fatalities, and 3,530,362 injuries following injections of four experimental COVID-19 shots including Moderna, Pfizer, AstraZeneca and Janssen (Johnson & Johnson).
