

Two Companies Control 99% of the World's Productive Assets – and Driving the 'Great Reset'

written by GEG | September 6, 2021

Vanguard is the largest shareholder of BlackRock. Vanguard is privately owned and is linked to many of the oldest, richest families, including the Rothschilds, the Orsini family, the American Bush family, the British Royal family, the DuPont family, the Morgans, Vanderbilts and Rockefellers.

280% Increase in Lumber Prices Indicate Market Manipulation. Gov't Is the Ultimate Market Manipulator.

written by GEG | September 6, 2021

There is evidence that there is no lumber shortage, but that the market is being manipulated by third party lumber buyers who are storing it and withholding it from the market. When only a few companies control the market, they can create a false scarcity.

100 Top CEOs Sign Pact to Punish States That Pass Laws to Prevent Vote Fraud

Kenneth Chenault, the former CEO of American Express, and Kenneth Frazier, the CEO of Merck & Co., two of the most prominent Black business leaders in the US, told CEOs to sign a statement “opposing what they view as discriminatory legislation on voting.”

Google, Apple and Amazon Worked Together to Destroy Parler, a Conservative Social Media Platform

written by GEG | September 6, 2021

Founder John Matze said that removing Parler was a coordinated attack by the tech giants to kill competition in the market place. Matze said that all vendors have abandoned Parler, including text message services, email providers and their lawyers.

More than Half of Young Americans, Unhappy with the Present Economic System, Want Socialism, Not Realizing That's What They Already Have

written by GEG | September 6, 2021

Socialism and communism are responsible for scarcity, starvation, brutality, and the murder of tens of millions of people over the past 100 years. College students increasingly embrace socialism because they don't have a clue what it is.

Facebook Co-Founder, Chris Hughes, Says the Government Should Break It Up and Implement Speech Rules

written by GEG | September 6, 2021

A government monopoly over speech is worse than a private monopoly, because government can fall back on the police power of the state to perpetuate its monopoly.

NAFTA Destroyed US & Mexican Economies, Is Responsible for Mass Immigration

written by GEG | September 6, 2021

Jake Morphonios explains how free trade treaties such as NAFTA destroyed not only the American economy by shipping manufacturing jobs overseas, but ruined Mexico's agricultural industry, too. As a result, mass migration from Mexico to the US began after NAFTA was implemented. Free trade treaties create monopolies and the winners are the heads of corporations and central bankers.
