

Michigan: Dearborn Schools Follow Sharia Law and Now Serve Only Halal Meat

written by GEG | October 9, 2019

All meat served at public schools in Dearborn, Michigan, now is Halal, which is compliant with Sharia law. Halal food adheres to Sharia law because of the way in which animals are slaughtered. According to the 2010 census, Dearborn has the largest Muslim population in the United States.

France: Green Party Founder Says Europeans Must Have Fewer Children to Make Way for More Muslim Migrants

written by GEG | October 9, 2019

Yves Cochet, who co-founded the Green Party in France in 1984, said that benefits for native European families should be removed in order to encourage them to have fewer

children so more room can be made for Muslim migrants. France's Muslim population already stands at almost 9% – and climbing.

Political Correctness Silences Canada's Culture Clash with Muslims

written by GEG | October 9, 2019

Political correctness is being used to condemn Kelli Leitch, a conservative female member of parliament who spoke out against a Syrian refugee who battered his wife with a hockey stick and criticized Prime Minister Trudeau for the open border policy.
