

Former Child Star Ricky Schroder Talks about a Ritual He Saw as a Minor in Hollywood

written by GEG | May 24, 2023

Ricky Schroder said that when he was a minor, he was shown a disturbing video of a blood and sex ritual. He believes that people who hold power positions in politics, industry and Hollywood are blackmailed and that is why criminals at the top are never held accountable.

US Justice System Used Tactics Against Opponents That Are Considered Criminal

written by GEG | May 24, 2023

Ross Ulbricht, the creator of the Silk Road, an anonymous website known for selling drugs and using Bitcoin, was arrested and sentenced to two consecutive life sentences plus 40 years! Ulbricht was used to discourage other people from using private cryptocurrency. This interview with his mother is a cry of despair against politicians, prosecutors, and judges, who get away with falsifying evidence, withholding evidence, conspiracy to deny the right to a fair trial, and outright lying in order to punish those who become role models for the use of cryptocurrency instead of government-issued money.

Hackers Use Ransomware, Created by the NSA , to Infect Computers in Nearly 100 Countries

written by GEG | May 24, 2023

Hackers have been able to infect tens of thousands of computers in more than 100 countries using software developed by the NSA. Wikileaks exposed this problem last month by publishing the software manuals to prove that the threat is real. This reporter anticipates that the CIA and the press will attempt to blame Wikileaks and Trump supporters for the problem.
