

Lawyer Reveals Vaccine Injuries: Cancer and Miscarriages Up 300%, Neurological Problems Up 1000%

written by GEG | January 28, 2022

According to Renz, a weekly report from October 2021, based on information provided by the Dept. of Defense, said that 71% of new cases were in the fully vaccinated and 60% of the seniors hospitalized with COVID were fully vaccinated, yet Dr. Fauci and Joe Biden were calling COVID a “pandemic of the unvaccinated.”
