

Virginia Politics Is in Chaos as Top-Three Democrat Officeholders Face Scandals Involving Infanticide, Racism and Sexual Assault

written by GEG | February 7, 2019

The Democrats are not likely to give up the office of governor. But it's entertaining to see how many politicians have skeletons in their closets. Some of us even suspect that this is a requirement for being endorsed by a major party because those skeletons can be useful for controlling the office holders.
