Mass Rape, Cannibalism, Dismemberment, Unspeakable Atrocities in Congo War

written by GEG | December 20, 2023

Rebels and government troops in Congo have committed atrocities including mass rape, cannibalism, and dismemberment of civilians. Investigators have learned of boys forced to rape their mothers, little girls being told witchcraft would allow them to catch bullets, and women forced to choose gang-rape or death. The UN investigative team found that both sides in the civil war are guilty.

London's Metropolitan Police Failed to Record 100,000 Crimes, Including Rape

written by GEG | December 20, 2023

A police watchdog group reported that police officers in London often failed to record crimes, including domestic abuse and violence when they occurred alongside other crimes. Almost one in ten sexual offense crimes, including rape, were not recorded. They also neglected to record some low-level crimes. More than half of people in the UK have lost confidence in the police. Meanwhile, hate crimes are rigorously investigated, and a George Soros-linked NGO is working with police to fund enforcement for hate crime laws.
