

# Undercover Video: Democrat Official Reveals Plans to Change America by Using Violence and Killing Billionaires

written by GEG | October 14, 2020

Kris Jacks exposed plans to intimidate Joe Biden in the White House with constant protests if he is elected, or a violent response if Trump is reelected. He recommended a “strategic hit against the .1% that’s in charge” which is ironic because many top billionaires are funding the Democrats, radical leftists and Antifa
