

Seattle Pays 2020 BLM Rioters \$10 Million Over 'Excessive Force' Claims

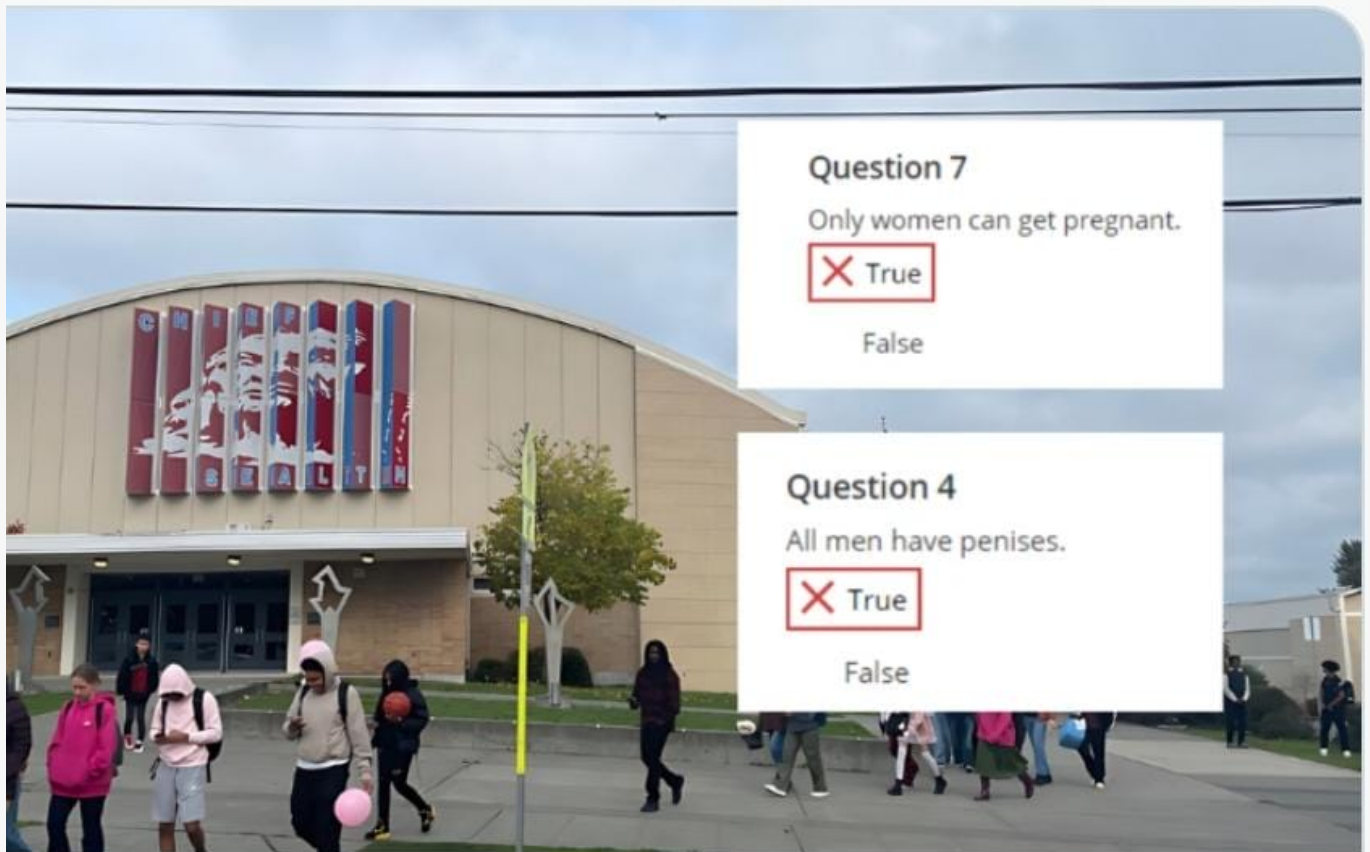

written by GEG | January 29, 2024

Seattle has agreed to pay \$10 million to 50 rioters injured by police during the summer of riots. Seattle claimed that it was too costly to go to trial. In the last year, Denver agreed to pay \$4.7 million to 300 BLM rioters arrested in 2020. Philadelphia coughed up \$9 million. NYC is paying \$13 million.

Seattle Student Fails Quiz After Answering That Men Can't Get Pregnant

written by GEG | January 29, 2024

A critic wrote that activist teachers know they're confusing the youth, but they just do it anyway because it'll help bring down the West. They don't want inclusion, they want confusion. They want the English language to get rekt.

Seattle City Council Pushes For Dismissal of Misdemeanor Crimes Based on Poverty and Drug Addiction

written by GEG | January 29, 2024

The dismissal of all misdemeanor crimes, excluding DUI and domestic violence, effectively legalizes those crimes. The new law was introduced into the budget process, rather than in the open with a hearing, and would open the floodgates for crime, including theft, assault, harassment, trespass and more.

Seattle: Rioters Allegedly Tried To Seal Police Precinct Door Before Lighting A Fire Outside

written by GEG | January 29, 2024

The Police Officers Guild president said that this act shows that the leftists are intent on killing police officers and that the city is being held hostage by 100 to 150 people that are bent on destroying the city.

Seattle Radio Host Now Wants a Gun to Defend Against the Mob After 'Peaceful Protest'

written by GEG | January 29, 2024

Paul Gallant has a new perspective on violent protests after mocking President Donald Trump in June for saying anarchists were burning and pillaging Seattle. Gallant lives in an apartment above a Starbucks coffee shop that was trashed and burned.

Seattle Mayor Jenny Durkan Dismantles CHOP, then 300 Protesters Show Up at Her Home

written by GEG | January 29, 2024

City Council member Kshama Sawant, a committed socialist/communist, joined the protest

mob and called for Durkan's removal. City workers have begun removing the barriers from the CHOP squatters' camp.

Residents And Businesses Sue Seattle For Allowing CHOP Autonomous Zone

written by GEG | January 29, 2024

Can Americans not see that Mayors, city councils, and police in one city after city after another are on the side of destruction? Why? Because they are playing their role in setting up such a crisis that Americans will call for martial law – which is the end game.

Seattle Forces Public School Students To Get Vaccinated During Winter Break

written by GEG | January 29, 2024

Seattle Public Schools sent out a warning to parents that thousands of students could be banned from returning to school after Christmas break if they are not up to date on their vaccinations. “Personal” or “philosophical” exemptions for the MMR vaccine were eliminated by Washington state lawmakers in May of 2019.

Seattle Can't Clean Human Feces Off Sidewalks Because Democrat Councilman Says Hoses Are Racist

written by GEG | January 29, 2024

Seattle, Washington is having trouble deciding how to remove human feces from their sidewalks thanks to Democrat city councilman, Larry Gossett, who claims pressure washers are racist. He says they bring back images of hoses being used against civil-rights activists.

Seattle City Council Repeals Tax on Jobs to Benefit Homeless, after Big Biz Applies Pressure

written by GEG | January 29, 2024

Amazon, Starbucks and other large employers were able to pressure Seattle's City Council into overturning the socialist "head tax" of \$275 on each employee per year that was expected to raise \$50 million per year. The money was to help the growing homeless population. Amazon has more than 45,000 employees, and the tax would have cost the company \$12,375,000.
