

South Africa: 3 Farm Murders in a Week. Elon Calls for Boycott of NY Times for “Supporting Genocide”

written by GEG | August 7, 2023

@WokelyCorrect

There have been 3 farm murders in South Africa in the week since radical Marxist leader Julius Malema called to “Kill the Boer” in front of approximately 90.000 supporters. AfriForum said that farm attacks and murders spike after rallies where politicians sing “Kill the Boer” and other violent “struggle songs.”
