Special Counsel Robert Mueller ‘Not Familiar’ with Fusion GPS, Which Produced the Steele Dossier, the Key Evidence for His Investigation

written by GEG | December 16, 2019

Congressman Louis Gohmert said that he believes Mueller's performance was partially an act, designed to run out the 5-minute clock to avoid answering more questions. He says Mueller intentionally drew out the investigation to affect the 2018 midterm elections.

Two of Mueller's Prosecutors Who Left His Team Had Contact with Top DOJ Official Connected to Fusion GPS

written by GEG | December 16, 2019

US Representative Jim Jordan (R-OH) said the dismissal of two key investigators, Andrew Weissmann and Zainab Ahmad, at the start of March may be due to bias as they knew Christopher Steele, the author of the discredited dossier, was "desperate to stop Trump."

Special Counsel Robert Mueller Delivers Final Report, Yet Investigation Fails to Charge Any American Citizen with Collusion with Russia

written by GEG | December 16, 2019

This is not the end of Trump's problems as federal and state prosecutors are pursuing other investigations that grew out of Mueller's probe. The new investigations focus on Trump, his family business, his advisors and associates, and will not be limited to "Russian collusion".

The Deep State Lies about the Phony Steele Dossier Are Surfacing, But Investigation Documents Are Kept Under Wraps to Protect the UK

written by GEG | December 16, 2019

Glenn Simpson of Fusion GPS, who published the infamous Steele dossier previously testified under oath that he never spoke with Bruce Ohr about the Steele dossier prior to the FISA order in 2016. This is in direct contradiction to Bruce Ohr's testimony under oath last month.

FISA Court Scandal: No Hearings on Trump/Page Surveillance Warrants. Three of the Warrants Were Issued After Trump Won Presidency.

written by GEG | December 16, 2019

Judicial Watch discovered the FISA Court held no hearings on the surveillance warrant applications from the FBI that was based on Christopher Steele's 'dirty dossier'. Three of the warrants were executed after President Trump was elected. The fourth renewal of the warrant was signed under Mueller's reign, implicating him in using the fraudulent document.

Former Clinton Pollster Says Hillary Broke Campaign Finance Laws, Not Trump

written by GEG | December 16, 2019

Hillary Clinton failed to report millions of dollars that were paid to a Democratic law firm that, in turn, paid out money to political research firm Fusion GPS and British ex-spy, Christopher Steele, without listing them on any campaign expenditure form. Nothing was done about it.

Republican Lawmakers Introduced Articles of Impeachment Against Deputy Attorney General Rod Rosenstein

written by GEG | December 16, 2019

Rod Rosenstein, the top official in the Department of Justice (DOJ) overseeing Robert Mueller's investigation, is being impeached for failure to comply with House oversight requests. The House conservatives further chastised the DOJ and Rosenstein for withholding embarrassing documents, knowingly hiding information, abusing the Foreign Intelligence Surveillance Act (FISA) process, and failure to comply with Congressional subpoenas.

Clapper Leaked Dirty Dossier Info to CNN and then Denied It Under Oath to Congress

written by GEG | December 16, 2019

James Clapper, the former Director of National Intelligence (DNI) who later became a CNN commentator, not only leaked information related to the infamous “Steele dossier” to CNN’s Jake Tapper while Clapper was in office, but it appears he also lied about it to Congress while under oath.

Bombshell Report: 7 to 10 Unidentified Democrats Spent \$50-Million to Shatter Trump’s Presidency

written by GEG | December 16, 2019

A House intelligence committee report revealed that researchers were paid \$50-million by donors from California and New York to create the discredited Steele dossier in order to oust President Trump. The Clinton campaign and Democratic National Committee funded the dossier. George Soros was also linked as a donor in the scheme. The dossier was used improperly by the FBI in seeking a federal court order for surveillance of Americans during the campaign.

Democrats' Rebuttal Memo Omits Fact That DNC and Hillary Paid for the Dirty Dossier

written by GEG | December 16, 2019

US: Democrats published a rebuttal memo to the FISA memo released by Republicans who alleged that the FBI and DOJ had abused the FISA system in obtaining the warrant. The Democrats' rebuttal omitted several key points such as: former FBI Deputy Director Andy McCabe's testimony that the FISA warrant would not have been sought without the infamous dossier, and it ignores the fact that the Democratic National Committee and the Hillary Clinton campaign paid for the dossier.
