## Tucker Carlson Reports on Kakhovka Dam Explosion in Russian-Occupied Ukraine

written by GEG | August 25, 2023

The Kakhovka dam was built by the Russian government and sits in Russian-controlled territory in Ukraine. The dam's reservoir supplies water to Crimea. It is unlikely that Putin would attack his own people. Carlson said that if the dam was destroyed intentionally, it is an act of terrorism.

## Jan. 6 'QAnon Shaman' Released from Prison Weeks after Tucker Carlson Aired J6 Video

written by GEG | August 25, 2023

Tucker Carlson showed new video evidence of Capitol cops escorting Chansley down the halls of the building and through the doors of the US Senate, prompting his former attorney to demand his onetime client be freed. Democrats 'savaged' Carlson for showing the video, and he did not publish any more J6 videos.
