NATO was threatened by right-wing populist movements in Europe, and President Trump, which led to the weaponized censorship because the populists had the power to kill NATO without firing a shot. NATO is the military muscle behind the UN's World Bank and International Monetary Fund and other institutions of power.

Trump Points to Victoria Nuland and State Department for Supporting Uprisings in Ukraine

written by GEG | February 19, 2024

On the left, Democrats still insist that Trump is a Russian agent despite his policies to incite war. On the right, Trump radically escalated tensions with Russia. When Trump was in office, he failed to drain the swamp and appointed neocons and war mongers. Trump was threatened when he was in office.

US State Dept. Blocking Americans from Being Rescued at Afghanistan Airport

written by GEG | February 19, 2024

American citizens, green card holders, and Afghan allies are stranded in Afghanistan following Biden's botched troop withdrawal. A rescuer said that while the Taliban has been allowing the evacuation of Americans and their allies, the US State Department is blocking rescue flights from leaving the country.

Tucker Carlson Describes Trump's Expression of Faith in US Intelligence Agencies as a 'Hostage Tape'

written by GEG | February 19, 2024

Tucker Carlson called Trump's capitulation to the intelligence community's line that Russia is a major threat a 'hostage tape.' Tucker then gave examples of how US intelligence agencies, the deep state, and NGOs, have kept America in wars for the past 20 years, including the invasion of Iraq, the killing of Libyan President Moamar

Gadhafi, and the prolonged Syrian war that led to open borders in Europe.

US May Freeze Funding for Controversial White Helmets in Syria After Chemical Attack

written by GEG | February 19, 2024

While the White Helmets claim to be neutral, they have been accused of staging chemical attacks, and they are linked to the al-Nusra terror group. The US State Department is reviewing its support for the White Helmets that have received at least \$32 million from US taxpayers. The White Helmets are well-funded for a group that claims to be self-organized.

Crash Course on Who Controls the CIA, US State Department, and Donald Trump

written by GEG | February 19, 2024

Jake Morphonios analyzes the significance of CIA Director Mike Pompeo's nomination to the post of Secretary of State. He gives the history of the Council on Foreign Relations, founded in 1921, and shows how this group ever since has been at the center of a movement to transform the US from an independent nation into a subdivision of a world Marxist government. No one is spared in this dissertation. If you ever voted for a US president who won the election, including Donald Trump, be prepared to be indignant – and enlightened. This is one of the finest history lessons you will ever find.

US State Department Will Pay Hungarian Media Outlets to Promote Mass Immigration in Hungary

written by GEG | February 19, 2024

The State Department has authorized \$700,000 US taxpayer dollars to fund Hungarian media outlets that oppose Prime Minister Orbán's conservative government, which is pushing back against the European Union's policy of mass migration. He also is exposing the European politicians who Soros has called "reliable allies".

Benghazi Security Contractors Say US State Department Silenced Them

written by GEG | February 19, 2024

The US State Department chose a small Welsh security contractor to protect the US Embassy who hired local guards, but did not arm them.

US State Department Quietly Opens the Floodgates for Incoming Refugees

written by GEG | February 19, 2024

President Trump's executive order to limit refugees entering the US is stalled in the courts while the US State Department, acting entirely on its own, quietly lifted restrictions on the number of refugees allowed into the US. It makes no difference what the voters want – or don't want.

US State Department Says It 'Believes' A Syrian Prison May Be Cremating Bodies of Executed Prisoners

written by GEG | February 19, 2024

The US State Department accused Syrian President Assad of using a crematorium outside of the capital Damascus to dispose of the bodies of thousands of executed prisoners. The evidence presented is a satellite image of a building that looks like a crematorium.
