written by GEG | April 29, 2021

A man died hours after receiving the Covid-19 vaccine. The sheriff's office says the man was not administered his vaccine by Placer County Public Health and it is unknown where he got his vaccine or which vaccine he received. Officials are concerned that people will blame the death on the vaccine.

World Health Organization Changes Definition of 'Herd Immunity' so It Can Only Occur with Vaccines

written by GEG | April 29, 2021

The traditional meaning of “herd immunity,” when a population becomes immune to a virus by being exposed to it, was changed by WHO to include vaccines. But now, WHO has redefined herd immunity again, this time stating that herd immunity can be achieved only by mass vaccination programs – which, of course, is not true.

Will the COVID-19 Vaccine Cause Infertility in Women?

written by GEG | April 29, 2021

The concerns are totally justified. This issue is more important than one might suppose inasmuch as there is a large body of evidence that one of the specifications in the design of vaccines has been population reduction.

California Bishop Warns Catholics Not to Take COVID Vaccine Connected in Any Way to Aborted Babies

written by GEG | April 29, 2021

The bishop stated, "I won't be able to take a vaccine. I just won't ... and I encourage you not to, if it was developed with material from stem cells that are derived from a baby that was aborted, or material that was cast off from artificial insemination of a human embryo. It's morally unacceptable for us."
