

Democrat Presidential Candidate Tulsi Gabbard and Jill Stein of the Green Party React to Hillary Clinton's Accusation that They Are Russian Assets

Hillary Clinton accused Representative Tulsi Gabbard of being a Russian asset who is being groomed to run as a third party candidate. Hillary also accused 2016 Green Party presidential candidate Jill Stein and President Trump of being Russian assets. Jill Stein said that Hillary used her rant to crack down on people who go against the military industrial complex and endless wars.
