

Mexico: 100 Migrants, Including Children, Kidnapped. Zetas Drug Cartel, Deserters from the Mexican Special Forces, Is Likely Culprit.

written by GEG | November 7, 2018

The feds pressured transportation companies to not pick up migrants along the way, which forced them to walk through an unsafe area. As many as 20,000 migrants a year are kidnapped and ransomed by criminal gangs, and three out of five women and girls are raped.
